

# DIGITAL RESPONSIBILITY CHARTER

## WHY THIS CHARTER?

Digital technology is a key driver of our performance.  
But it also has a real environmental impact.  
As part of its committed CSR label, Groupe Restoleil is committed to more responsible, more frugal and more useful digital practices, building on actions already undertaken.

## OUR CONCRETE COMMITMENTS

### SUSTAINABLE EQUIPMENT

- Ergonomic equipment for comfort and health
- Priority given to refurbished or sustainable equipment
- Extending the lifespan of equipment
- Replacement only when necessary

### FRUGALITY IN THE OFFICE

- Computers and screens turned off at the end of the day
- Fewer unnecessary emails, fewer “reply all”
- Links rather than heavy attachments
- Video meetings only when they are useful
- Adoption of digital eco-actions in daily life

### DATA & CLOUD

- Regular sorting and deletion of obsolete files
- Cleaning of shared cloud spaces
- Avoid duplicates
- Structured folders = less storage

### WEB & DIGITAL TOOLS

- Lightened web pages (images, videos, content)
- Frugal and useful digital tools
- Essential features only
- Tools maintained and updated

### RAISE AWARENESS & ENGAGE

- Raising awareness of digital eco-actions
- Regular sharing of best practices
- Encouraging field initiatives

**LESS NOISE. MORE MEANING.**
